## Email Terms and Conditions

The information contained in email and any attachments may be confidential. If you have received an email in error, please notify us immediately by telephone or return email. If you are not the intended recipient, you should delete the email and any attachments from your system and you should not read, use for any purpose or disclose to any person the contents.

Although our e-mail has been scanned for viruses, Creative Technology cannot accept any responsibility for viruses.

In accordance with the Law 15/1999 of Data Protection of Spain, we inform you that your personal data is confidential and is included in our data files for professional and/or commercial purposes, as well as to provide information relating to our products and services, by e-mail, postcard or fax. You have the right to access, rectify, cancel and oppose your data, writing to **Creative Technology SLU** and attaching a copy of your identity card.
